## All Money Is Set Up For US27 Road Job

Keeping his promise to the day and dollar, John Monahan, member of the State Road Board, has budgeted enough money in the upcoming budget to complete US27 from Bare Beach into South Bay. The printed budget recently released by the State Road Department shows two items—enough to cover the remaining construction on US27 to South Bay.

More than a year ago the SRD let a contract for \$1,600,000 for the first piece of the expensive road from the Hendry County line to Bare Beach. Following the start of work on this contract Mr. Monahan announced that the remainder of the road into South Bay would be under contract before the end of the 1963-1964 budget year. He has kept his promise.

In the upcoming budget one item calls for rebuilding US27 between Bare Beach and Lake Harbor at an expenditure of \$1,300,000. The other item calls for the link between Lake Harbor and South Bay to be built at an estimated cost of \$2,800,000.

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A consolidated effort for putting a Palm Beach County exhibit in the coming New York World Fair began taking shape this week.

The county commission, according to Chairman E. F. Van Kessel, will assume responsibility for renting exhibit space; municipalities, chamber of commerce, the Resources Development Board and the county Committee of 100, will be responsible for equipping the exhibit, and for providing personnel to staff the display.

The county board this week took steps to put a down payment on the \$30,000 fund needed to rent space for the two years the fair will operate.

In other actions this week the commission:

Voted to call for bids for concession stands at Phil Foster Park and for the county's new park at Jupiter.

Adopted a policy which bans commission waivers to drivers having been in accidents with county vehicles. In the past, such accidents have some times resulted in loss of licenses to drivers. Commissioners have signed waivers on the offending drivers promise to pay costs of damage to county vehicles, but it seems the board has had difficulty in collecting damages—so no more waivers.

Voted to call for bids for demolition of 76 surplus buildings at International Airport.

Authorized a contract for Paul and Sons, Inc. West Palm Beach, for construction of a new administration wing and a 24-bed nursing wing at the county home and hospital. The contract is subject to approval of state and federal agencies which are supplying matching funds for the hospital project.

for the coming year. It was announced that the June meeting will be held at the home of Mrs. Ralph Crews.

### Planning Money For Boca Raton U.

Proposed establishment of a hydrographic engineering center for Southeast Florida to be located at Boca Raton's Florida Atlantic University, won favorable support this week from the County Commission.

The board voted to make \$2,500 available to finance planning for bringing the center to the county. The grant will be set up immediately if the state attorney general gives his approval for the expenditure.

The state board of control previously recommended the establishment of the engineering study—a department, for which they recommended that \$5,796,000 be made available.

The center would be established for oceanographic studies and to further research by marine scientists.

It was noted in the request from University President Kenneth Williams, that both state and federal agencies have great interest in the establishment of the center.

## Forest Hill Wins Suncoast Honors

Decision last week by Suncoast Conference athletic directors to sanction cancellation of five baseball games delayed by weather or conflicting activities rang down the curtain on the league's 13th year. Spring football drills this week and last, a novelty in the Suncoast after being banned for 12 years, will conclude athletic endeavors for the waning school year.

Forest Hill, unbeaten baseball champions, also won five other titles during the year out of 10 possible. Falcon trophies will be awarded for track, basketball, boys golf and tennis and girls swimming in addition to the baseball. Belle Glade was football champ, its first title ever in suncoast play after a dozen years of waiting. Vero Beach won the girls golf, Seacrest took the girls tennis and Lake Worth won the boys swimming for the fourth straight spring. Only Pompano in the 1958-'59 year won as many conference championships.

Pahokee had the honor of winning the last league match of the year, beating Seacrest's diamond club 6-5 in a postponed game last week. The season marked the conclusion of charter member Clewiston's league membership which expires May 31. The outmanned Tigers weren't a pennant threat in any sport during the year and have withdrawn to join a new league.

The league's annual year-end meeting will be June 8 in Ft. Pierce.

Final baseball standings:

*"Today we need a nation of Minute Men . . . .  
citizens who regard the preservation of freedom  
as a basic purpose of their daily life . . . ."*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration  
as the 35th President of the  
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

## Miss Dianne Douglas Marries Herbert Wayne Carter On May 3rd

Miss Dianne Douglas, daughter of Mr. and Mrs. Milton Douglas of Pahokee, became the bride of Herbert Wayne Carter, son of Mr. and Mrs. Manning Carter, Clewiston, on Friday, May 3, at 6 p. m. at the home of her parents, 3497 Airport Road. Rev. Max Jones, pastor of the Pahokee Church of the Nazarene, performed the ceremony in the patio, which was decorated with arrangements of white gladioli and peonies.

Nuptial music was furnished by Miss Myra Jones, organist, who accompanied the vocal trio, Maxine, Carolyn and Grace Jones, when they sang, "Whither Thou Goest," and "The Lord's Prayer."

Given in marriage by her father, the bride was lovely in a waltz length gown of white lace, featuring a fitted bodice of lace, brocade, fashioned with short sleeves and sweetheart neckline. Her veil of French illusion was attached to a pearl headpiece and she carried a cascade bouquet of white rosebuds and stephanotis.

Miss Linda Douglas, sister of the bride, was maid of honor and Mrs. Dean Congleton, cousin of the bride, was matron of honor. Both attendants wore gowns of pink lace with long sleeves, matching accessories, and headpieces with brief veils. Their bouquets were of roses in a lighter shade than their dresses.

Dean Congleton of Belle Glade

served as best man, and Earl Sapp of Ft. Lauderdale was the usher.

## Plan Convention For Jehovah Group

"It will be three conventions instead of two for the United States this year," Miles P. Crum, presiding minister of the Belle Glade congregation of Jehovah's witnesses, announced last night. This came as a surprise to the congregation as Mr. Crum read the announcement from the Watchtower Bible and Tract Society, convention sponsors.

"Milwaukee has been added to New York and Los Angeles," Mr. Crum said. "This became necessary due to limited facilities in New York. The new stadium for the New York Mets baseball club is not completed, and thus the Polo Grounds will not be available for our use," he added.

According to Mr. Crum the majority of the congregation will be traveling to New York for the 8-day gathering which will be held July 7-14 in Yankee Stadium. A crowd of 125,000 is expected for the New York meeting.

"This will be our sixth convention in Yankee Stadium since 1950," Mr. Crum pointed out. "Following the New York gathering," he continued "we will begin a series of conventions around the world. There will be 22 in all which will take some 550 delegates from the United States and Canada to Europe, Asia, Australia, Philippines, Hawaii and back to the United States for the Los Angeles convention in just sixty days."

"We expect 1963 to be one of the outstanding years in our history," Mr. Crum said. "Our congregation along with all the other congregations of Jehovah's witnesses world wide will be working 100 percent to accomplish this," Mr. Crum concluded.

Mrs. Sheppard M. Pitts, Jr. of Belle Glade, the former Jill McIlwain, visited her husband at Good Samaritan Hospital in West Palm Beach, Sunday where he has been a patient for three weeks. She was accompanied by her parents, Mr. and Mrs. E. F. McIlwain, whom she was visiting Sunday.

## Christian Science Group Of Canal Point

A Bible Lesson on the subject of "Mortals and Immortals" will be read this Sunday.

Golden Text: "This corruptible must put on incorruption, and this mortal must put on immortality" (1 Corinthians 15:53).

Related readings from the Christian Science textbook include these lines: "Either here or hereafter, suffering or Science must destroy all illusions regarding life and mind, and regenerate material sense and self. The old man with his deeds must be put off" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy, p. 296).

## Veterans Are Reminded Of Grace

The habit of "riding the 31-day grace period" has caused the lapse of GI insurance policies for many hundreds of veterans in recent years, the Veterans Administration said today.

Too many veterans on "grace period" time forget their final deadlines, and eventually allow their policies to lapse, often at a time when their dependents need protection the most, L. V. McClelland, Local Veterans Service Officer said.

McClelland advised veterans to make up that monthly payment that they may be running behind, even if they have been making their payments each time during the grace period.
